## Story Teller

The sun woke up  
a the stars went down  
A dew way upon the ground

Where a man was telling stories  
about the countryside

## My Imaginary Friend

I have an imaginary friend call Todd,  
who may appear quite odd.  
With his dark face and lopsided smile,  
he may frighten you to run a mile.  
To me he's not scary,  
even though he makes most people feel hairy.

## Colours

Red is the colour of anger,  
or it can even mean danger.

Orange is the colour of fun,  
Yellow is the colour of the sun.

Blue is the colour of calm and cool,  
like swimming in a summer pool.

Colours describe our mood every day,  
They'll help you find your way.
